INDUSTRIAL PIPING

Korrosafe
Industrial CPVC Piping System

EXCELLENT CHEMICAL
RESISTANCE

Ashirvad Korrosafe Industrial CPVC

OUR SYSTEM ADVANTAGE

The Ashirvad system provides a complete line of pipe, fittings, flanges, strainers and valves to meet all your process system requirements.

Ashirvad developed the Ashirvad Korrosafe Industrial (CPVC) systems to meet industry demands for a complete Pipe, Valves and Fittings (CPVC) package that is designed, produced and backed by a single manufacturer.

These systems are engineered and manufactured to strict quality, performance and dimensional standards, and therefore eliminate the problems inherent in purchasing and installing piping system components manufactured by several different companies

Our high-performance vinyl systems are designed to meet the temperature, pressure and size requirements of piping systems used in chemical processes and other industrial applications. They feature outstanding resistance to photodegradation, creep stress and immunity to oxidation, and are exceptionally suited for use with a wide range of acids, alcohols, salts and halogens. The perfect extended service, low maintenance alternative to common and exotic metal systems.

Ashirvad Korrosafe Industrial CPVC Pipes are available in SCH 40 & 80 and Fittings are available in SCH 80.

FIELDS OF APPLICATIONS

• Plant chemical distribution lines

• Water and wastewater

• Acid systems for refineries, pickling lines and plating shops

• Chlorine injection, chlorine dioxide and chloralkali plant piping

• Steel wire plants

• Battery manufacturing

• Bleach lines in textile and paper mills

• Alum and caustic handling systems

• Circuit board manufacturing

• Semiconductor

• Pharmaceutical

• Cooling water and cooling tower systems

• Tailing and slurry lines

• Washwater recovery systems

• Plant water supply

• Brine and seawater systems

• Fish farming

• Waterworks

• Aquariums and swimming pools

• Irrigation systems in golf courses, greenhouses, etc.

Caution: Do not use or test CPVC with compressed air or other gases including air-over-water boosters.

INTRODUCTION - PRODUCT

PRODUCT	SIZE RANGE	STANDARDS *	HSN CODE
Ashirvad Korrosafe Industrial CPVC Pipes SCH 40 & 80	1/2" - 12"	ASTM F 441	39172390
Fittings	1/2" - 12"	ASTM F439	39174000
Solvent Cement & Primer	Heavy	ASTM F 493	35069999

FEATURES AND BENEFITS

Fire Resistant

UV Stabilised

Safe for Drinking Water

Strong and Light Weight

Chemical Resistance

Easy to Install and Leak Proof
